## Bachelor of Music – Piano

### Entering Fall Even Year

This assembled information is intended to clarify the course requirements and sequence of courses for completion of this degree. The accompanying schedule of courses will reflect courses offered each semester by the School of Music. Therefore, if you follow this outline closely, you can be assured of having access to all required courses during the semester suggested within. Some degree of flexibility in scheduling is possible. However, if you elect to schedule courses without references to the suggestions made in the accompanying outline, be aware that courses are offered only in the semesters as stated in the course description at the back of the bulletin. We cannot guarantee that schedule conflicts will not prevent you from taking courses you intend to take. You should make every effort to comply with the attached schedule. **The course map is advisory and subject to change. The CMU Bulletin is the authoritative source of information.**

Some important considerations in following this degree program are:

- ❖ You must be fully admitted to the Music Program to begin this degree program. Please contact the School of Music Office or your private instructor if you are unsure about your status vis-a-vis the Music Program.
- ❖ Likewise, in order to complete requirements on this degree you will need to be accepted for Music Candidacy at the appropriate time. Admission to Music Candidacy will be granted upon your successful completion of your 300-level performance jury and the coursework marked within with an “\*”. Applications for Music Candidacy are available in the School of Music Office, and the point at which you should apply is indicated within as well.
- ❖ In order to graduate with this or any other CMU degree, you must successfully complete the University Program and Competency requirements detailed in the CMU Bulletin. If you have questions about these requirements, you should refer your questions to the advisors in the University Academic Services Office (#3504). In completing your UP and Competency requirements, please keep in mind that you will need 40 hours of coursework numbered 300 or above in order to graduate.
- ❖ Music majors and minors on all degree programs must receive a grade of “C” or better in each required MUS course.
