The CMU Bulletin is the authoritative source of information.

Some important considerations in following this degree program are:

- ❖ You must be fully or tentatively admitted to the Music Program to begin this degree program. Please contact the School of Music Office or your private instructor if you are unsure about your status vis-a-vis the Music Program.
- ❖ In order to complete requirements on this degree you will need to be accepted for Music Candidacy at the appropriate time. Admission to Music Candidacy will be granted upon successful completion of the 300-level performance jury and the coursework marked within with an “*”. Applications for Music Candidacy are available in the School of Music Office.
- ❖ In addition to your music requirements, you must complete requirements for Admission to Teacher Education in order to graduate with this degree and be subsequently certified to student teach. Suggestions concerning completion of requirements for Teacher Education are included within. We have suggested that you purchase the Teacher Education Student Handbook immediately upon arrival on campus and familiarize yourself with its contents. The handbook will also be available online at www.ehs.cmich.edu/css.
- ❖ In order to graduate with this or any other CMU degree, you must successfully complete the University Program and Competency requirements detailed in the CMU Bulletin. If you have questions about these requirements, you should refer your questions to the advisors in the Undergraduate Academic Services (#3504). In completing your UP and Competency requirements, please keep in mind that you will need 40 hours of coursework numbered 300 or above in order to graduate.
